## REFILLABLE 1 POUND CYLINDERS

Same Dimensions as Disposable Cylinders

For use with torches, fog machines, small heaters, and more!

**Over 30 Million Non Refillable Cylinders End Up in Landfills Each Year!**

**Quality and Cost Effective Solution**

How it works:

If you have an account,  
we rent you the Cylinders **NO CHARGE.**

Just pay for the initial fill.

When you need a refill, exchange the empty  
bottle for a full one and **pay only for THE FILL.**
